Mr. King:

I have made no less than four requests for information relating to your next board meeting. Four times, your employees denied me this public information and you have not returned by calls. Therefore, I am now making this request for records under the Missouri Sunshine Law, Chapter 610, Revised Statutes of Missouri.

I request that you make available to me the date, time and location of the next three meetings of your board of directors.

I request that you make available to me the an up-to-date list of all the members of your board of directors, with home addresses and contact information.

I also request that you make available to me all records that relate to the decision to change the route of the annual May Day parade from north St. Louis to downtown, including minutes from board meetings, copies of letters to officials, permit applications, and contracts.

I request that the records responsive to my request be emailed to me, copied and made available for pick-up, or mailed to the above address. Please let me know in advance of any search or copying if the fees will exceed \$50.

If portions of the requested records are closed, please segregate the closed portions and provide me with the rest of the records.

Sincerely,

Antonio D. French
